

Guilderland Music Parents and Friends Association

Guilderland School District is the proud home of an award-winning music department composed of 21 music teachers, 55 performing ensembles, and over 2000 students.

Guilderland Music Parents and Friends (GMPFA) is the “booster club” for this amazing music program. **Our goal is to partner with parents, students, and educators to support music education and performance.**

By supporting GMPFA, you are providing needed equipment, educational opportunities (guest conductors, etc.), awards, and scholarships for the music students throughout all grades of the Guilderland School District.
